

## DISCLOSURE STATEMENT

<b>WHAT WE ARE:</b>	A surgical facility performing pain management procedures, licensed in the state of Nevada.
<b>WHO WE ARE:</b>	An outpatient surgery center owned by physician partner's and Surgery Partners to provide a safe and comfortable medical facility that will provide efficient and effective services to patients.
<b>WHY WE WERE OPENED:</b>	Outpatient care has been proven to increase patient comfort through personalized care while delivering quality services. Nevada Surgical Suites and its staff aim to provide personal attention and quality services to their patients.
<b>YOUR RIGHT AS A PATIENT:</b>	You have the right to choose the provider and the facility for your health care services. You will not be treated differently by your physician if you obtain health care services at another facility.
<b>YOUR CHOICE:</b>	Please discuss any questions and concerns with your surgeon, if you may want to have your procedure at an alternative health care facility.
<b>CREDENTIALS:</b>	All of the physicians and anesthesiologists have been credentialed according to the Medicare and AAAHC standards. Information is available upon request.
<b>PATIENT GRIEVANCES:</b>	If you have complaints or concerns in regard to your care here, you are encouraged to speak to our administrator at (702) 430-7591 or file a formal grievance in writing,
<b>MALPRACTICE INSURANCE:</b>	Nevada Surgical Suites and your medical team have malpractice insurance to meet the State of Nevada requirements.
<b>ADVANCED DIRECTIVES:</b>	If you have an advanced directive or living will, the center will still transfer you to the closest hospital which will make decisions about following any advanced directives or living will. You have the right to have your living will present in your medical record at the center and to be informed of the center's policy prior to the date of admission. State information and forms can be found at the following website: <a href="http://dhcfp.state.nv.us/advanceddirectives.htm">http://dhcfp.state.nv.us/advanceddirectives.htm</a>
